CITY OF NORWICH.—NOTICE TO ENGINEERS AND SURVEYORS.—Any persons desirous of obtaining the APPOINTMENT to the office of SURVEYOR to the CORPORATION of NORWICH is required to forward testimonials of qualification and competency, addressed free of postage to the Town-clerk, Guildhall, Norwich, on or before MONDAY, the 22nd of September next, on which day the committee appointed by the corporation will meet at six o'clock in the afternoon to receive and examine applications and testimonials of candidates. As the duties of such surveyor will comprise the municipal as well as the local board of health business of the corporation, a candidate must not be further with the practice of engineering, especially hydraulic engineering in connection with works of water supply, drainage, sewerage, and surface cleansing; competent to conduct surveys, survey plans of estates, drawings, and estimates of works of every description, and able to superintend the execution thereof to advantage, and are to the fulfilment of the conditions of their contracts by contractors for such works. The whole time of the surveyor is to be devoted to the duties assigned to him, and he is to be restrained from undertaking any other employment. Salary per annum, with permission to take pupils. Candidates must not be connected with the city, and are to state their age in their applications, but are not required to attend personally before the committee unless especially summoned, and no canvassing will be allowed. The successful candidate is, if required, to give security for the faithful discharge of his duties. The town clerk, on application to him (if by letter to be post paid), will answer all questions, and give any further information.—By order,

JOHN R. STAFF, Town Clerk.
